Public Comment: Brief discussion about protecting the Western States Trail within the SARA, by allowing only two limited areas open to multi-use (Quarry Road Trail and short stretch from No Hands Bridge) because they have good line of sight and wide trails.

ECC New member

- We have received applications from both John Mackey and Jim Northey and would like to accept both.
- Bob Snyder decided to resign, although he would like to stay involved in an advisory capacity.
- Amy Lind let us know that since public notice for two positions has been posted and the time has expired for submissions, we are able to add Jim and John to the Committee.
- Motion made and unanimously approved that due to the above information, both Jim and John are accepted as ECC members.

Website/Trail Users & Safety

- All agreed that the website should have a prominent location for the ASRA Trail Usage/Safety Plan updates and suggestions
- Post material from the Trail User Group subcommittee only if the subcommittee has approved it.
- John will set up a form for submissions and it will have Cynci's endurancecapital@ncbb.net email.
- Set up a blog using tumblr.com

- Look at website, take notes, send John suggestions (john@johnmackeyphotography.com)
